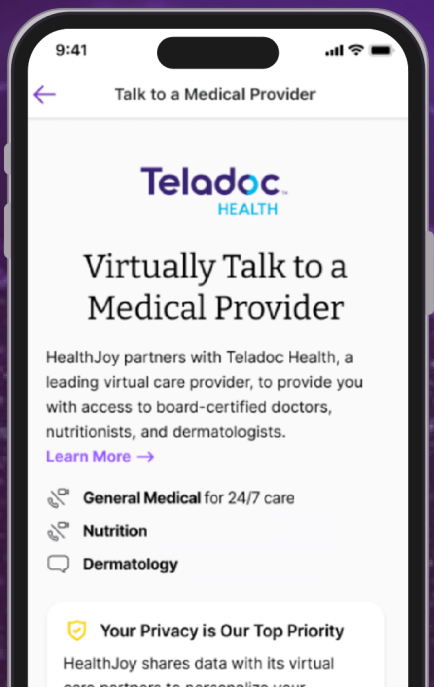
HealthJoy | Teladoc HEALTH

Feel Better Without Leaving Home

See a board-certified doctor by phone or video for colds, allergies, and more. Right from the HealthJoy app.

24/7/365 · For you and your family



Three Ways to Get Care

General Medical
Phone or video

Urgent care, 24/7

Cold and flu, sinus infections, pink eye, UTIs, allergies, and other non-emergency issues.

Dermatology
Messaging

Skin care, on your schedule

Message a dermatologist about acne, rosacea, psoriasis, moles, or rashes.

Nutrition
Phone or video

One-on-one with a nutritionist

Get advice on eating right, staying healthy, or managing a health condition.

How to Start a Visit

First visit? You'll complete a quick Teladoc Health registration first.

1. **Open HealthJoy**
   On your home screen, tap **Talk to a Medical Provider**.
2. **Choose who needs care**
   You or a dependent. Family members 18 and older set up their own account.
3. **Pick your visit type**
   General Medical, Dermatology, or Nutrition.
4. **See a doctor**
   Join the waiting room now, or schedule a time between 7 AM and 9 PM.

- Prescriptions sent to your pharmacy, if needed
- Interpretation in many languages, including ASL
- A text or email when your provider is ready
