HealthJoy

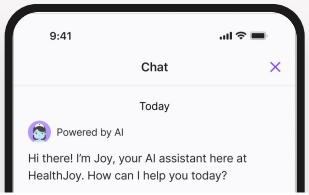
HealthJoy helps you navigate your benefits

HealthJoy is your first stop for every healthcare and benefits need. Our app personalizes your benefits, saving you money and helping you live healthier.

1

Ask us anything about your benefits

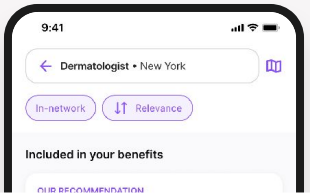
Get quick, clear answers from Joy any time, day or night.



2

Find a provider and know the cost before you go

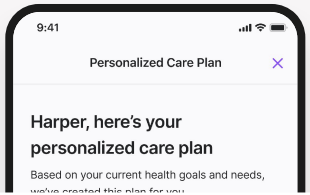
We'll find you a quality doctor nearby and tell you what you'll pay before your appointment.



3

Use all the benefits you have

We'll point you to the programs and perks your employer already offers, so nothing goes to waste.



HealthJoy

Ask us anything | Find a provider | Use your benefits

Get started today

1. **Download the app and activate your account**
2. **Complete your Health Goals Questionnaire**
3. **Ask JOY a question you already have**
4. **Explore: find a provider, check your wallet, see your benefits**

All employees enrolled in a medical plan are eligible. Free for you and your family. Spouses and dependents 18+ can have their own account.

Enable push notifications and subscribe to emails from HealthJoy for regular updates about the benefit programs offered to you.
