DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross and Blue Shield (“Anthem”)! This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

You are considered covered under the Prior Plan if you: (1) were covered under the Prior Plan on the date that plan terminated; (2) properly enrolled for coverage within 31 days of this Certificate's Effective Date; and (3) had coverage terminate solely due to the Prior Plan's termination.

ELIGIBILITY AND ENROLLMENT – Adding Members

In this section you will find information on who is eligible for coverage under this Plan and when Members can be added to your coverage. Eligibility requirements are described in general terms below. For more specific information, please see your Human Resources or Benefits Department.

Who is Eligible for Coverage

The Subscriber

To be eligible to enroll as a Subscriber, the individual must:

- Be an employee of the Group, and;
- Be entitled to participate in the benefit Plan arranged by the Group;
- Have satisfied any probationary or waiting period established by the Group and perform the duties of your principal occupation for the Group.

Dependents

To be eligible to enroll as a Dependent, you must be listed on the enrollment form completed by the Subscriber, meet all Dependent eligibility criteria established by the Group, and be one of the following:

- The Subscriber's spouse. For information on spousal eligibility please contact the Group.
- The Subscriber's or the Subscriber's spouse's children, including natural children, stepchildren, newborn and legally adopted children and children who the Group has determined are covered under a Qualified Medical Child Support Order as defined by ERISA or any applicable state law.
- Children for whom the Subscriber or the Subscriber's spouse is a legal guardian or as otherwise required by law.

All enrolled eligible children will continue to be covered until the age limit listed in the Schedule of Benefits. Coverage may be continued past the age limit in the following circumstances:

- Your Dependent children covered through the end of the month in which they attain age 26, legally adopted children from the date you assume legal responsibility, children for whom you assume legal guardianship and stepchildren. Also included are your children (or children of your spouse) for whom you have legal responsibility resulting from a valid court decree.
- Children who are mentally or physically handicapped and totally dependent on you for support, regardless of age, with the exception of incapacitated children age 26 or older. To be eligible for coverage as an incapacitated Dependent, the Dependent must have been covered under this Contract or prior creditable coverage prior to reaching age 26. Certification of the handicap is required within 31 days of attainment of age 26. A certification form is available from your employer or from Anthem and may be required periodically but not more frequently than annually after the two year period following the child's attainment of the limiting age.

We may require you to give proof of continued eligibility for any enrolled child. Your failure to give this information could result in termination of a child's coverage.

To obtain coverage for children, we may require you to give us a copy of any legal documents awarding guardianship of such child(ren) to you.

When You Can Enroll

Initial Enrollment

The Group will offer an initial enrollment period to new Subscribers and their Dependents when the Subscriber is first eligible for coverage. Coverage will be effective based on the waiting period chosen by the Group, and will not exceed 90 days.

If you did not enroll yourself and/or your Dependents during the initial enrollment period you will only be able to enroll during an Open Enrollment period or during a Special Enrollment period as described below.

Open Enrollment

Open Enrollment refers to a period of time, usually 60 days, during which eligible Subscribers and Dependents can apply for or change coverage. Open Enrollment occurs only once per year. The Group will notify you when Open Enrollment is available.

Special Enrollment Periods

If a Subscriber or Dependent does not apply for coverage when they were first eligible, they may be able to join the Plan prior to Open Enrollment if they qualify for Special Enrollment. Except as noted otherwise below, the Subscriber or Dependent must request Special Enrollment within 60 days of a qualifying event.

Special Enrollment is available for eligible individuals who:

- Lost eligibility under a prior health plan for reasons other than non-payment of premium or due to fraud or intentional misrepresentation of a material fact.
- Exhausted COBRA benefits or stopped receiving group contributions toward the cost of the prior health plan.
- Lost employer contributions towards the cost of the other coverage;
- Are now eligible for coverage due to marriage, birth, adoption, or placement for adoption.

Important Notes about Special Enrollment:

- Members who enroll during Special Enrollment are **not** considered Late Enrollees.
- Individuals must request coverage within 31 days of a qualifying event (i.e., marriage, exhaustion of COBRA, etc.).

Medicaid and Children's Health Insurance Program Special Enrollment

Eligible Subscribers and Dependents may also enroll under two additional circumstances:

- The Subscriber's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- The Subscriber or Dependent becomes eligible for a subsidy (state premium assistance program)

The Subscriber or Dependent must request Special Enrollment within 60 days of the above events.

Late Enrollees

If the Subscriber does not enroll themselves and/or their Dependents when first eligible or during a Special Enrollment period, they will not be eligible to enroll until the next Open Enrollment Period.

Members Covered Under the Group's Prior Plan

Members who were previously enrolled under another plan offered by the Group that is being replaced by this Plan are eligible for coverage on the Effective Date of this coverage.

Enrolling Dependent Children

Newborn Children

Newborn children are covered automatically for 31 days from the moment of birth. If additional Premium is required for the newborn Dependent, you must notify us of the birth and pay the required Premium within 31 days or the newborn's coverage will terminate. If you have Family Coverage, no additional premium is required and coverage automatically continues.

Even if no additional Premium is required, you should still submit an application / change form to the Group to add the newborn to your Plan, to make sure we have accurate records and are able to cover your claims.

Adopted Children

A child will be considered adopted from the earlier of: (1) the moment of placement in your home; or (2) the date of an entry of an order granting custody of the child to you. The child will continue to be considered adopted unless the child is removed from your home prior to issuance of a legal decree of adoption.

Your Dependent's Effective Date will be the date of the adoption or placement for adoption if you send us the completed application / change form within 31 days of the event. If, however, additional Premium is required for the adopted Dependent, your Dependent's Effective Date will be the date of the adoption or placement for adoption, only if you notify us of the adoption and pay any required additional Premium within 31 days of the adoption.

Adding a Child due to Award of Legal Custody or Guardianship

If you or your spouse is awarded legal custody or guardianship for a child, an application must be submitted within 31 days of the date legal custody or guardianship is awarded by the court. Coverage will be effective on the date the court granted legal custody or guardianship.

Qualified Medical Child Support Order

If you are required by a qualified medical child support order or court order, as defined by ERISA and/or applicable state or federal law, to enroll your child in this Plan, we will permit the child to enroll at any time without regard to any Open Enrollment limits and will provide the benefits of this Plan in accordance to the applicable requirements of such order. However, a child's coverage will not extend beyond any Dependent Age Limit listed in the "Schedule of Benefits".

Updating Coverage and/or Removing Dependents

You are required to notify the Group of any changes that affect your eligibility or the eligibility of your Dependents for this Plan. When any of the following occurs, contact the Group and complete the appropriate forms:

- Changes in address;
- Marriage or divorce;
- Death of an enrolled family member (a different type of coverage may be necessary);
- Enrollment in another health plan or in Medicare;
- Eligibility for Medicare;
- Dependent child reaching the Dependent Age Limit (see "Termination and Continuation of Coverage");
- Enrolled Dependent child either becomes totally or permanently disabled, or is no longer disabled.

Failure to notify us of individuals no longer eligible for services will not obligate us to cover such services, even if Premium is received for those individuals. All notifications must be in writing and on approved forms.

Nondiscrimination

No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Statements and Forms

All Members must complete and submit applications or other forms or statements that we may reasonably request.

Any rights to benefits under this Plan are subject to the condition that all such information is true, correct, and complete. Any material misrepresentation by you may result in termination of coverage as provided in the "Termination and Continuation of Coverage" section. We will not use a statement made by you to void your coverage after that coverage has been in effect for two years. This does not apply, however, to fraudulent misstatements.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage

Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

- a) On the date determined by your employer in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.
- b) On the date the Certificate is terminated.
- c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.
- d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Certificate remains in effect and you or your spouse or your Dependent child is a Member under this Certificate:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or employee becomes ineligible (except gross misconduct dismissal)	Subscriber and Dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Divorce, marriage or civil union dissolution, or legal separation	Former spouse and any Dependent children who lose coverage	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.

Death of Subscriber	Surviving spouse and Dependent children	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Dependent child loses eligibility	Dependent child	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Dependents lose eligibility due to Subscriber's entitlement to Medicare	Spouse and Dependents	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Subscriber's total disability	Subscriber and Dependents	Earliest of: 1. 29 months, or 2. Date total disability ends, or 3. Enrollment date in other group coverage or Medicare.
Retirees of employer filing Chapter 11 bankruptcy (includes substantial reduction in coverage within 1 year of filing)	Retiree and Dependents	Earliest of: 1. Enrollment date in other group coverage, or 2. Death of retiree or Dependent electing COBRA.
Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the employer	Surviving spouse and Dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for

continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Certificate is terminated by the Group Subscriber;
- c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

Payments are made by ANTHEM only when the covered dental procedures have been completed. The plan may require additional information from you or your provider before a claim can be considered complete and ready for processing. In order to properly process a claim, the plan may be required to add an administrative policy line to the claim. Duplicate claims previously processed will be denied.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement ANTHEM will pay for Dental Services provided by a Dentist to a Member and which meet our definition of a Covered Service. For Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Schedule of Maximum Allowable Charges. For Non-Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Table of Allowances.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, we will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the Dental Procedure. Applying these rules may affect our determination of the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating

Dentist, the Maximum Allowed Amount is based upon the lesser of the Dentist's actual charges or the Schedule of Maximum Allowable Charges. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call Our Customer Service Department at (844) 729-1567 for help in finding a Participating Dentist or visit Our website at www.Anthem.com. Anthem will update this listing of providers on at least an annual basis.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges or an amount based on Our Non-Participating Dentist fee schedule, referred to as the Table of Allowances, which We have established in Our discretion, and which We reserve the right to modify from time to time after considering one or more of the following: reimbursement amounts accepted by similar providers contracted with Us, and other industry cost, reimbursement and utilization data. The Table of Allowances may be different from the Maximum Allowed Amount reimbursed to Participating Dentists.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Customer Service Department at (844) 729-1567 for help in finding a Participating Dentist or visit Our website at www.Anthem.com.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

Member Cost Share

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Member Services to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

You authorize Us to make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

The Member is responsible for all treatment charges made by a Non-Participating Dentist. When services are obtained from a Non-Participating Dentist, any benefits payable under the group contract are paid directly to the Member unless you assign the payment directly to the provider by indicating so on the claim form.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 20 days of receiving the Covered Services, and must have the data We need to determine benefits. The failure to provide Anthem with such notice will neither invalidate or reduce any claim if it is shown that it was not reasonably possible to give such notice within 20 days, provided notice is given as soon as reasonably possible. No notice can be submitted later than one year after the usual 20 day filing period ends. If the notice submitted does not include sufficient data We need to process the claim, then the necessary data must be submitted to Us within the time frames specified in this provision or no benefits will be payable except as otherwise required by law.

Any benefits due under this Certificate shall be due once We have received proper, written proof of loss, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of loss, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claims should be submitted to:

Anthem Blue Cross and Blue Shield
PO Box 1115
Minneapolis, MN 55440-1115
(844) 729-1567

Proof of Claim

Written proof of claim satisfactory to Us must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Claims for Covered Services provided to a Member will be processed within thirty (30) days of the date the claim is received by us. If a claim decision cannot be made within the 30 day period, an extension of up to fifteen (15) days may be requested. Before the end of the initial thirty (30) day period, we will send the Member written notice of the reason(s) for the delay.

If the time to process a claim is extended because the Member or dentist has not submitted requested information, the time period requirements for claim processing will be tolled from the date the notice of requested information is sent to the Member until the date We receives the Member's response. We will make a claim decision within fifteen (15) days after receipt of the requested information. Members should submit the requested information within forty-five (45) days of receipt of the request.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, either send a written request for claim forms to Us or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 10 days. If you do not receive the forms, written notice of services rendered may be submitted to Us without the claim form. The same information that would be given on the claim form must be included in the written notice of claim. This includes:

- Name of patient
- Patient's relationship with the Subscriber
- Identification number

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

COVERED SERVICES

Dental Utilization Review

Dental utilization review is designed to promote the delivery of cost-effective dental care by encouraging the use of clinically recognized and proven procedures. It is included in your Plan to encourage you and your dentist to utilize your dental benefits in a cost-effective and clinically appropriate and recognized manner. Your right to benefits for Covered Services provided under this Plan is subject to review by licensed dentists who will apply certain policies, guidelines and limitations, including, but not limited to, our coverage/clinical guidelines, dental policy and utilization review features.

Dental utilization review is accomplished through pre-treatment review and retrospective review. Our dental coverage guidelines for pre-treatment review and retrospective review are intended to reflect general standards of care for dental practice applying state-specific regulations where necessary. The purpose of dental coverage guidelines is to assist in the interpretation of medical or dental necessity. In order to be expenses or services covered under this Plan, such expenses and services must meet ANTHEM's Medical or Dental Necessity requirements.

Pretreatment Estimate

(Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, ENDODONTIC, PERIODONTAL, ORAL SURGERY, PROSTHETICS, OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES, COPAYS AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, endodontics, periodontal, oral surgery, prosthetic services or orthodontic care, you should submit a claim form to ANTHEM outlining the proposed treatment. ANTHEM will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles, and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce ANTHEM's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles, Copays and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by ANTHEM in or near the Member's place of residence. ANTHEM and the Plan shall hold such information and records confidential.

ANTHEM does not determine whether a service submitted for payment or benefit under this Certificate is a Dental Procedure that is dentally or medically necessary to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by ANTHEM. Other Dental Services may be recommended or prescribed by your Dentist which are dentally or medically necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by ANTHEM. While these services may be prescribed by your Dentist and are dentally or medically necessary for you, they may not be a Dental Service that is benefited by ANTHEM or they may be a service where ANTHEM provides a payment allowance for a service that is considered to be optional treatment. If ANTHEM gives you a payment allowance for optional treatment that is covered, you may apply this ANTHEM payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by ANTHEM or exceed the frequency of plan benefits do not imply that the service is or is not dentally or medically necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by ANTHEM. Determination of services necessary to meet your individual dental needs is between you and your Dentist.

Retrospective Review

Retrospective review means a Medical Necessity review that is conducted after dental care services have been provided. A claim review includes, but is not limited to, an evaluation of reimbursement levels, accuracy of documentation, accuracy of coding and adjudication of payment.

We provide a toll-free telephone number available during normal business hours to assist you or your Provider in obtaining information with respect to our utilization review process. This same number may be utilized after business hours to leave a message which will be responded to within two business days in non-emergent situations. This telephone number is listed on your identification card.

If you disagree with a utilization review decision and wish to file an appeal or appeal a decision previously made, you will find details on how to do this in the CLAIM AND APPEAL PROCEDURES section of this certificate. You may also contact customer service at the toll-free number on your identification card.

The utilization review process is governed by laws and regulations and may be modified from time to time by us as those laws and regulations may require.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

GENERAL PROVISIONS

Entire Contract

This Certificate, the Group Dental Contract, the Group application, any riders, endorsements or attachments, and the individual applications of the Subscriber and Dependents, if any, constitute the entire Contract between the Plan and the Group and as of the Effective Date, supersede all other agreements between the parties. Any and all statements made to the Plan by the Group and any and all statements made to the Group by the Plan are representations and not warranties, and no such statement, unless it is contained in a written application for coverage under this Certificate, shall be used in defense to a claim under this Certificate.

Form or Content of Certificate

No agent or employee of the Plan is authorized to change the form or content of this Certificate. Such changes can be made only through an endorsement authorized and signed by an officer of the Plan.

Relationship of Parties (Plan - Participating Dentists)

The relationship between the Plan and Participating Dentists is an independent contractor relationship. Participating Dentists are not agents or employees of the Plan, nor is the Plan, or any employee of the Plan, an employee or agent of Participating Dentists.

The Plan shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by a Member while receiving care from any Participating Dentist or in any Participating Dentist's facilities.

Your Participating Dentist's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to provision of services or referrals to other Providers, including Participating Dentists and Non-Participating Dentists. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or the Plan.

Not Liable for Provider Acts or Omissions

The Plan is not responsible for the actual care you receive from any person. This Certificate does not give anyone any claim, right, or cause of action against the Plan based on what a Provider of dental care, services or supplies, does or does not do.

Identification Card

Your Identification Card identifies the dental program in which you are enrolled. When you receive care from a Participating or Non-Participating Dentist, you must show your Identification Card. Possession of an Identification Card confers no right to services or other benefits under this Certificate. To be entitled to such services or benefits you must be a Member on whose behalf all applicable Premiums under this

Certificate have been paid. If you receive services or other benefits to which you are not then entitled under the provisions of this Certificate you will be responsible for the actual cost of such services or benefits.

Circumstances Beyond the Control of the Plan

In the event of circumstances not within the control of the Plan, including but not limited to, a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, labor disputes not within the control of the Plan, disability of a significant part of a Participating Dentist's personnel or similar causes, or the rendering of dental care services provided under this Certificate is delayed or rendered impractical, the Plan shall make a good-faith effort to arrange for an alternative method of providing coverage. In such event, the Plan and Participating Dentists shall render dental care services provided under this Certificate insofar as practical, and according to their best judgment; but the Plan and Participating Dentists shall incur no liability or obligation for delay, or failure to provide or arrange for services if such failure or delay is caused by such an event.

Employer Premiums

Your employer is responsible for paying a monthly Premium by the first day of the month for which coverage is purchased. We will allow employers a 31 day grace period to pay monthly Premiums, except for the first month's Premium. During this grace period, coverage will continue unless We receive a written notice of termination from your employer. We will notify your employer at least 15 days prior to terminating the Group Contract for non-payment of a monthly Premium. ANTHEM is not responsible for costs you incur during any period (other than the grace period discussed above) when your employer fails to pay full Premiums.

Extension of Benefits

If this Dental Certificate terminates, benefits will be continued for a period of 60 days for the following:

1. The installation of new appliances and modifications to appliances for which a master impression was made prior to the benefit termination date.
2. An installation of a crown, bridge, or cast restoration for which the tooth was prepared prior to the benefit termination date.
3. Root canal therapy, for which the pulp chamber was opened prior to the benefit termination date.

Extension of Benefits will not apply if the group policy terminates.

Coordination of Benefits

Special COB rules apply when you or members of your family have additional dental care coverage through other group dental plans, including:

- group insurance plans, including other ANTHEM plans;
- labor management trustee plans, union welfare plans, employer welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax-supported or government program to the extent permitted by law.

All benefits provided under this agreement are subject to this provision. However, benefits will not be increased by this COB provision. This provision applies if the total payment under this agreement absent this provision and under any other contract is greater than the value of covered services.

Primary coverage and secondary coverage. When a member is also enrolled in another group dental plan, one coverage will pay benefits first (be primary) and the other will pay second (be secondary). The primary coverage will pay benefits first. The decision of which coverage will be primary or secondary is made using benefit determination rules.

When we provide secondary coverage, we first calculate the amount that would have been payable had we been primary. Then we coordinate benefits so that the combination of the primary plan's payment and our payment does not exceed the amount we would have paid had it been primary.

Definition of "other contract". Other contract means any arrangement providing dental care benefits or services through:

- group or blanket insurance coverage;
- group ANTHEM, health maintenance organization, and other prepayment coverage;
- coverage under labor management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax supported or government program to the extent permitted by law.

If there is more than one other contract, this provision will apply separately to each. If another contract has a coordination of benefits provision that applies to only part of its services, the terms of this paragraph will be applied separately to that part and to any other part.

ANTHEM will not determine the existence of any other contract, or the amount of benefits payable under any other contract except this agreement. The payment of benefits under this agreement shall be affected by the benefits payable under other contracts only when ANTHEM is given information about other contracts.

If the rules of this agreement and the other contract both provide that this agreement is primary, then this agreement is primary. When ANTHEM determines that this agreement is secondary under the rules described below, benefits will be coordinated so that our payment plus the other contract's payment will not exceed ANTHEM *maximum allowed amount for covered services*.

Order of Benefit Determination Rules

1. Pediatric Dental Coordination of Benefits (COB). If pediatric dental Essential Health Benefits are included as part of the medical plan, the medical plan will be the primary coverage and any standalone dental plan will be secondary.
2. If you have two dental plans, the plan which includes pediatric dental Essential Health Benefits will be the primary coverage.
3. If neither of the above applies, the Order of Benefit Determination Rules below will determine coordination of benefits.
4. If you are covered under one plan as a primary insured and another plan as a dependent, the plan under which you are the primary insured will be the primary coverage.
5. As required by law, if you or a dependent also has coverage under Medicare, this plan will always be primary.
6. For children who are covered under both parents' contracts, the following will apply:
 - a. The contract of the parent whose birthday occurs earlier in the calendar year will be primary.
 - b. When parents are separated or divorced, the following special rules will apply:
 - i. If the parent with custody has not remarried, that parent's contract will be primary.
 - ii. If the parent with custody has remarried, that parent's contract will be primary and the stepparent's contract will be secondary. The benefits of the contract of the parent without custody will be determined last.
 - iii. The rules listed above may be changed by a court decree:
 - A court decree that orders one of the parents to be responsible for health care expenses will cause that parent's contract to be primary, but only if the entity providing the benefits in this case is notified of the court decree before applying benefits.
 - If the court decree does not state that one of the parents is responsible for health care expenses and both parents have joint custody, the contract of the parent whose birthday occurs earlier in the calendar year will be primary.
7. If the other contract includes the gender rule, then that rule will be used instead of the rules listed

above. The gender rule states that the father's contract will be primary for the children.

8. If there are situations not covered above, then the contract that has been in effect the longest period of time (without interruption) will be primary. There is an exception to this rule. The contract that covers a working employee (or his dependent) will be primary. The contract of a laid-off employee, a retired employee, or a person on continuation of coverage options under federal or state law will be secondary.
9. If another contract has different rules from those listed above other than the gender rule, that contract will be primary.

If payments should have been made under this agreement under the rules of this provision, but they have been made under any other contract, ANTHEM may pay an entity (provider, other carrier, etc.) that has paid any amounts it determines will meet the intent of this provision. These amounts shall be deemed to be benefits paid under this agreement. Upon this payment, ANTHEM will no longer be liable under this agreement.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate. Upon cancellation of the Plan, Covered Members of the Group will have to find alternative coverage as the Plan no longer exists.

Legal Action

You may not take legal action against Us to receive benefits:

- Earlier than 60 days after We receive the claim; or
- Later than three years after the date the claim is required to be furnished to Us or the date of service.

You must exhaust the Plan's Grievance and Appeal Procedures before filing a lawsuit or other legal action of any kind against Us.

Reservation of Discretionary Authority

The following provision only applies where the interpretation of this Certificate is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.

The Plan, or anyone acting on Our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, We, or anyone acting on Our behalf, has complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of whether the services, care, treatment, or supplies are covered. However, a Member may utilize all applicable Grievance and Appeals Procedures.

The Plan, or anyone acting on Our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the Certificate. This includes, without limitation, the power to construe the Group Dental Contract, to determine all questions arising under the Certificate, to resolve Member Grievances and Appeals and to make, establish and amend the rules, regulations and procedures with regard to the interpretation and administration of the provisions of this Certificate. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the Group Dental Contract, the Certificate, Provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Acknowledgement of Understand

By accepting this Certificate, you expressly acknowledge your understanding that this Certificate constitutes a benefit plan provided by ANTHEM, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans. ANTHEM is not contracting as the agent of the Blue Cross and Blue Shield Association. You also acknowledge that you have not accepted this Certificate based upon representations by any person other than ANTHEM, and that no person, entity or organization other than ANTHEM will be held accountable or liable to you for any of ANTHEM's obligations created under this Certificate. These acknowledgements in no way create any additional obligations whatsoever on the part of ANTHEM other than those set forth in this Certificate.

CLAIM AND APPEAL PROCEDURES

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made immediately or within 15 business days after receipt of your claim. You will receive written notification of this benefit determination which will either include payment of the claim or a notice which states the reasons the claim was not paid. You will also be provided with a written itemization of any documents or information needed to process the claims or any portion thereof that are not being paid. When all of the necessary information is received we will have an additional 15 business days within which to process and either mail payment for the claims or in a notice deny it, in whole or in part. If the claim, in whole or in part is denied, you or your authorized representative will be provided with the reasons of such denial. In that case, we will notify you prior to the expiration of the initial 15-day period of the circumstances requiring an extension and the date by which we expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information we need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied. In addition, we shall be responsible to pay interest in the amount of 18% per annum on the benefits due if we fail to respond within the time frames stated above.

Appeals

In the event that We deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Anthem Blue Cross and Blue Shield
Attention: Appeals Unit
PO Box 1122
Minneapolis, MN 55440-1122

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of Dental Services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, we will identify any dental professional whose advice was obtained on our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Right of Examination

ANTHEM may, at its own expense, have the opportunity to examine you when and as often as it may reasonably require during the pendency of a claim under this plan. It may also have the right to make an autopsy in case of death, if an autopsy is not prohibited by law.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service Department at (844) 729-1567. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.
