

Visit the dentist 24/7

Dental@Home makes it convenient to receive dental care from anywhere

When a visit to the dentist's office isn't an option, it's good to know there's an alternative. Dental@Home is a teledentistry benefit included in Anthem dental plans that makes it easy to connect with a licensed dental care provider for virtual care.

Dental@Home offers:

-  Access to a dentist from anywhere using a smartphone, mobile device, or computer.
-  Easier administration with no appointments needed and no claims to file.
-  Consultations for dental problems or a dental emergency. All virtual visits are secure, private, and Health Insurance Portability and Accountability Act (HIPAA) compliant.
-  Coverage at the same amount as an in-person visit to the dentist's office.¹

How it works:

1. Access Dental@Home through our [SydneySM Health](#) app or at [anthem.com](#).
2. Find a participating care provider using the **Find Care** tool and search for **General Practice Dentistry**.
3. Select **The TeleDentists**.
4. Fill out a health history questionnaire and connect with a virtual dentist within approximately five minutes.

After the appointment, the dentist can:

- Prescribe non-opioid medication to a local pharmacy, if necessary.
- Refer the patient to a network dentist for further care.
