

HEALTHJOY RX SAVINGS

HealthJoy helps you uncover prescription savings using custom strategies and artificial intelligence

How does an Rx savings review work?

HealthJoy's healthcare concierge team will review your prescription medications. They'll use 9 different strategies to see if there's potential to save you money:

- ▶ Therapeutic alternatives
- ▶ International mail-order
- ▶ Manufacturer coupons
- ▶ Pharmacy shopping
- ▶ Manufacturer coupons
- ▶ Dosage optimization
- ▶ Third-party savings
- ▶ Generic alternatives
- ▶ Mail-order options

After our review, you'll get answers about whether you're getting the most value for your important medications.

How to set up a HealthJoy Rx Savings Review:

- 1 Look for your activation email and **download the HealthJoy mobile app for iPhone or Android**
- 2 Tap "Menu" and **select "Find Rx Savings"**
- 3 Follow the steps to **set up your Rx Savings Review**
